

Don't feel sorry

© Roger Häggström 2009

[int] |G |C |D(avsl)|

[v1] Sometimes I'm feeling,^{G C, G}
like a book on the shelf^{C, G}
Spending my time^C
alone with myself^{G C, G}

But don't feel sorry,^D
^C can't blame nobody else^{D G C, D}

[v2] The pages I've written,
the songs that I've sung
Won't count for nothing,
when the counting is done

But don't feel sorry,
for the troubled one

[solo v]

[v2] Stuck in a circle,
no beginning, no end
Waiting for a miracle,
to make the circle unbend

But don't feel sorry,
for the lonely man

[solo v]

[out] Don't feel sorry,
I am what I am
