[v1] <sup>F</sup>  
The night is black and the snow is white,  
Bb <sup>F</sup>  
kids are laughing

They are making snowball lights,  
Bb C F  
they never go out of fashion

[v2] All the candles are burning now,  
we're down on zero  
Time to get out of sight,  
and be a holiday hero

[br1] <sup>C</sup>  
The christmas tree is really green,  
Bb <sup>F</sup>  
tinsel balls are shining  
C  
Angel hair give the candle gleam,  
Bb | C | C(avsl)  
and the needles a silver lining

[ch] <sup>F</sup>  
2x / You can't go wrong with nursery rhymes,  
Bb C F  
with the red robed Jesus  
  
You know that christmas is a mighty fine time,  
Bb C F  
for the red robed Jesus /

[br2] The snow man is all liquered up,  
spicy wine is boiling  
He's drinking from his old tin cup,  
while the chimney smoke is coiling

[v3] Now the genie is out of the jar,  
the wicked witch is melting

When you wish upon a star,  
watch out for what you'r getting
