to find a better man
D
C I've been so lonely,
D |G | .D. . |
since you walked outta' my door

[v2] Ever since you've gone (it's been),
raining night and day
Now I aint got noone,
to chase my worries away

I've been, so lonely,
since you walked outta' my door

[solo]

[v3] Some day I know (that I'll),
find a girl for me
What every lonesome man needs,
is good company

And I've been, so lonely,
since you walked out on me

[v4] You looked so pretty (with),
shiny tears in your eyes
But there aint no turning,
when you've said your goodbyes

Well, I've been, so lonely,
since you walked outta' my door

[out] ^D
