[v1] G C G  
Come on down, give me a hand  
Join me in the walking band  
Bring your friends and a tambourine,  
I'll play the rhythm on the banjolin

[v2] We need a fiddle and a saxophone,  
and if you got it; a wild trombone  
All the jugglers, all the clowns,  
please follow the dotted lines

[br1] C D  
Look out for flying kites,  
G C  
and people throwing rice  
Look ahead and watch your back  
G D |G | |  
Keep your eyes on the track

[ch] 4x / G C G  
Follow me up, all the way up,  
D G  
follow me up to the mountain top /

[int]

[v3] Quit hiding your head in the sand,  
join in with the walking band  
Where the color of the rainbow rules  
Say Hi to the fools with tools

[v4] We need a banjo and a good guitar,  
without them we wont get far  
Bring your beer, your beef and beans  
I'll play the rhythm on the banjolin

[br2] Give way for the live-size cats,  
and the butlers rolling their hats  
Plenty fun for all of us,  
and for the rhinoceros
