[v1] I'm bad when I'm sober,
I'm good when I'm drunk
Pour me up for another dollar,
gonna leave when I'm done

[v2] Tired of working, tired of living,
I got trouble on my mind
From the morning til the evening,
gonna leave when I'm done

From the morning til the evening,
gonna leave when I'm done

[solo v2]

[v4] This here road that I'm walking,
takes me far away from home
I don't know where I'm going,
gonna leave when I'm done

[v5] Got a chip on my shoulder,
got a chill in my heart
2x / Need a woman when I'm lonely,
gonna leave when I'm done /

[solo v2]

[v1] Yes, I'm bad when I'm sober,
I'm good when I'm drunk
2x / Pour me up for another dollar,
gonna leave when I'm done /
